

(b) *Assignments of 60 days or more in the Cooperating Country.* (1) The Contracting Officer shall provide the contractor with a reproducible copy of the “USAID Contractor Employee Physical Examination Form”. This form is for collection of information; it has been reviewed and approved by OMB (see 701.105(a)). Information required by the Paperwork Reduction Act for reporting the burden estimate, the points of contact regarding burden estimate, and the OMB approval expiration date, are printed on the form. The contractor shall reproduce the form as required, and provide a copy to each employee and authorized dependent proposed for assignments of 60 days or more in the Cooperating Country. The contractor shall have the employee and all authorized dependents obtain a physical examination from a licensed physician, who will complete the form for each individual. The employee will deliver the physical examination form(s) to the embassy health unit in the Cooperating Country.

(2) (The following information is provided for two purposes: To assist fixed price offerors to develop their price proposal, and to provide cost reimbursement contractors with guidance in determining reasonable and allowable costs.) As a contribution to the cost of medical examinations, USAID shall reimburse the contractor for the physical examination authorized in paragraph (a) of this section in an amount not to exceed \$100 for the physical examination, plus reimbursement of charges for immunizations to the extent not covered by the contractor’s health insurance policy. For physical examinations authorized in paragraph (b)(1) above, the USAID contribution to the cost of the examination shall be as follows:

(i) For the employee and authorized dependents 12 years of age and over, one half of the cost of each examination up to a maximum USAID share of \$300 per individual, plus reimbursement of charges for immunizations to the extent not covered by the contractor’s health insurance policy.

(ii) For authorized dependents under 12 years of age, one half of the cost of each examination up to a maximum USAID share of \$120 per individual, plus reimbursement of charges for immunizations to the extent not covered by the contractor’s health insurance policy.

(iii) The contractor must obtain the prior written approval of the Contracting Officer to receive any USAID contributions higher than these limits.
